The Foundation is a national non-profit, registered charity, and the only neutral organization that is promoting and advancing Canada's Animal-Assisted Services Sector.

Why We Exist

We are dedicated to end-users, the welfare of animals in service, and the recognition of service providers, while fostering public confidence.

What We Do

We build bridges between communities, multiple disciplines and relevant sectors to benefit people, pets in service and partners (animals in service).

Celebrate Animal-Assisted Services; one of Canadians most treasured connections.
